

Hord Cares 2025 Friends and Family Annual Pork Sale

For many years, we have been able to offer you a variety of delicious pork products prepared by Hatfield Quality Meats. We have been working with the Clemens Family, owners of Hatfield Quality Meats, for more than 25 years. **All orders, including mail-in, must be received at our office by Wednesday, November 5th at 4pm.** To expedite this process, online ordering is preferred: hordfarms.com/meatsale. Meat order will be available for pick up on **Monday, December 15th from 4-7 pm** at the Hord Airport Hangar, located at 2192 Isaac Beal Road, Bucyrus.

This year's Hord Cares partner is Altrusa International of Bucyrus, a dedicated local nonprofit working to brighten our community. Their current project is raising funds to bring festive Christmas decorations to our downtown, creating a cheerful holiday spirit for everyone to enjoy.

All products will be sold by the case, with the exception of the 5-7 lb. Boneless Ham, which is sold individually. Please note that this year's sausage links are fully cooked rather than fresh. All other products will be fresh at pickup and may be frozen for later use.
