2026 Hord Cares Friends and Family Annual Pork Sale

Through our long-standing partnership with Hatfield Quality Meats, we are once again able to offer a limited number of delicious pork items. Unfortunately, we were given a very short window of time to place our order. Thus, ALL orders must be placed either online through our Square store or a check may be delivered to our office before **Friday, November 6th at 4:00pm**. We will not be able to accept orders & payments through the USPS mail system this year. The link to place orders will be available through **Friday**, **November 6th at 4:00pm** as well. Hordfarms.com/meatsale.

All products are sold by the case, except for the 5-7lb boneless ham. Unfortunately, due to inventory constraints, we will not be able to offer any sausage products this year. Most items arrive fresh and may be frozen for later use.

All orders will be available to be picked up at the Hord Airport Hangar, located at 2192 Isaac Beal Road, Bucyrus on **Monday, December 14th from 4:00-7:00pm**. *Our partner organization this year is the Wynford FFA!* We are excited for the many opportunities that the FFA program offers to our students each year. The Wynford FFA shows support to our community through service projects, Crawford County Fair educational display, and giving of their time to support other local organizations, such as ringing the bell for the Salvation Army each Christmas. Next summer, the Wynford FFA has an opportunity to send a group of students to the Netherlands for an Agricultural Study abroad tour to the Netherlands to learn about ag in another country.

Hord Cares will donate $5 for each gift box that is purchased through our 2026 Annual Pork Sale.
